- ▶ 2 OPPORTUNITIES IN LATE JULY
- ▶ M-F 8AM-5PM

CAMPSHUTTERSPEED.COM

WELCOME!

Camp Shutter Speed is a summer photography camp for kids hosted by photography teachers Leigh Anne Treistman and Stephen Green, CJE. This summer, Camp Shutter Speed will offer four, one-week sessions of fun for beginning or intermediate photographers grades 5-12.

This is a creative and entertaining summer-camp program where you get to explore animal photography, a fashion shoot, cooking, and cool science experiments from behind your camera! Learn how to take a great portrait, learn the basics of composition and unlock the many settings on your camera to compose a professional shot. We provide a DSLR Camera and all the supplies and equipment you need. Your work will be featured at a photography exhibit on Friday afternoon for your parents and camp friends to enjoy!

SESSIONS AVAILABLE

SESSION 1: JULY 12-16

SESSION 2: JULY 19-23

INFORMATION

CAMP HOURS: 8 a.m. to 5 p.m.

LOCATION: Esprit International School, 4266 Interfaith Way, Spring, TX 77381

REGISTER ONLINE: www.campshutterspeed.com

REGISTRATION: open until sessions are full.

FEES: \$485 per one-week session. Does not include needed camera equipment.

FOOD: Bring your lunch and a water bottle.

CLOTHING: Wear your tennis shoes or other comfortable, closed-toed shoes. Photography is physical so be dressed to move around inside and outside!

INSTRUCTORS: Camp Shutter Speed will be led by award-winning photography teachers Leigh Anne Treistman and Stephen Green, CJE. Both are certified teachers by the state of Texas and have led students to produce statewide award-winning work in the fine art and photojournalism areas. They are also members of the Journalism Educators Association, Texas Association of Journalism Educators, and Association of Texas Photography Instructors.
